**Event Format:** Teams will be broken down into flights. Format will be Match Play with 75% Handicaps (Hcp max of 36). Three 9 hole matches on Saturday and Two 9 hole matches on Sunday. Each hole will be worth one point. If a team wins a hole they get one point. If they tie a hole each team will receive half a point. There is a bonus point for the team that wins the most holes. In the case of a tie the bonus point is split, each team will receive half a point. So there are a total of 10 points available per match. Points accumulate for all five matches.

Following the conclusion of the matches on Sunday, there will be a 4-hole aggregate Championship Playoff. Snacks will be served in the grill during the prize presentation.

We are looking forward to a great event this year!
